

CEB-US Entry Form

CLASSE ELEVAGE

[Breeder's Class]

The **Classe Elevage** [Breeder's Class] will consist of entries of a minimum of **3 dogs per team**. You may include more dogs if you have them but there may be no more than five dogs per team. All dogs must have been **produced** by the same **breeder** but do not necessarily have to be related to each other (although that presumably could be highly likely; nor do they have to be currently owned by the breeder. The purpose of this class is to judge the **CONSISTENCY** of the dogs produced by that BREEDER. At least two of the 3 dogs must be entered in a regular class in the show. (Spayed or Neutered dogs may be included, but no more than one dog on a team of 3; or two dogs on a team of 4 or 5 may be altered.)

The teams will be separated by **VARIETY** although both varieties will compete in the same class, at the same time; but there is no distinction by sex so dogs of either or both sexes can be presented on a team. Therefore – a breeder could have more than one team entered; i.e. one team of all Orange and White dogs, and a second team of all “Other Color” dogs. If a breeder has a sufficient number of dogs in one variety (more than 5), they may enter more than one team per variety as long as each team has at least 3 dogs per team. Each team will be considered as a separate entry and will be judged separately.
